Dear Vendor,

The Mission Viejo Activities Committee (MVAC) is proud to announce the return of a unique event for Mission Viejo and surrounding communities. **Up in the Air** – Mission Viejo Takes Flight will take place on Saturday, March 3, 2012, from 10:00 A.M. to 2:00 P.M. on the Green next to the Norman P. Murray Community Center. This exciting event will showcase everything that goes **Up in the Air** or uses air to operate. Examples include planes, kites, bubbles, balloons, pinwheels, and more.

This fun family event will include professional kite flyers, disc dog shows, radio controlled airplanes, nonprofit food booths, exhibitors and entertainment. Over the years, the MVAC has implemented many annual events including the Fourth of July Celebration and Santa's Arrival. **Up in the Air** was offered for the first time in April of 2011. It was well received by the community and very successful with over 2,500 participants. This event will also share its success with local non-profits, furthering their success and purpose within the community.

Applications are now available for all types of businesses and vendors wishing to participate in this event to showcase their goods and services. We understand everyone is struggling these days so we are offering this opportunity at a reduced rate again in hopes that you will participate at our event. Vender spaces sold out last year! The MVAC is a 501c3 non profit organization and all contributions are tax deductible.

Thank you in advance for your support of family programs and we look forward to hearing from you. If you have any questions or would like additional information, please contact us at [MKNX@aol.com](mailto:MKNX@aol.com) or 949-830-7066.

Respectfully,

The **Up in the Air** Committee
