President's Message....

Hello Everyone—I would like to welcome you back to yet another wonderful MVAC year. We have had a nice break since our winter holidays so I hope you are ready for our upcoming events. We had a great year in 2011 and I hope 2012 will be just as great! This year we will again focus on attracting new members to our committee. Our student members are ready to get involved and many of our members have already given some terrific ideas to the new board. See you at the 02/07/2012 meeting.

Sad News.....Florence Savage, a long-time MVAC volunteer died quietly in her sleep on Saturday, January 21st. Flo will be remembered by all for her quick smile and her willingness to help. We are blessed to been called her friends.
